QUILT CLUB

Quilt Club will be held on the second Wednesday of every month. No machine is necessary. It is FREE. Bring in something you have made for show & tell. There will always be door prizes, discounts and a free block of the month pattern. This month Parker will talk about fabric and answer questions about the grain of fabric, cutting on the bias, selvage, WOF. It's a great time to make new friends and get reacquainted with old ones!

Wednesday, November 8, 2017 3:30 – 5:00

We will be closed Thanksgiving Day. Opening Black Friday with a special sale.

Happy news!

Parker Chiudioni will be working in the shop every Wednesday. Parker is great at solving all your quilting issues, helping with color choices, figuring yardage, fixing boo-boos, etc. She is also very knowledgeable about sewing machines and related sewing technologies. Known as the "tool girl" by her quilting friends, she can teach you how to use all kinds of specialty rulers to improve your accuracy.

Parker comes to us from Northern Virginia where she and her husband (Mr. Bill) owned and operated Circle Sewing Studios for 10+ years, teaching, designing and sharing her expertise and love of all things Quilty.

Come in and see her; she may have just the answer you need.

ABOUT ME: William Parent, owner
The store opened in 2006 in the small town of Rutherfordton, North Carolina. I changed the name to Quilting-N-Crafts-N-Things in 2014. I have been an HQ representative for over 10 years and have been doing long arm quilting for at least 10 years. During that time, I have quilted over 3,000 quilts.

To find out more about what's happening at the store, visit our website often.

Preparing for Long Arm: Remember to square off your backing fabric to at least 4 inches larger than the top of your quilt. If you have any questions, come in and talk to Bill. There is a \$20 charge to piece the back of a quilt.
