ABOUT ME: William Parent, owner
I have been an HQ representative for over 10 years and have been doing long arm quilting for at least 10 years. During that time, I have quilted over 3,000 quilts.

I have enjoyed providing all of your quilting needs this past year and look forward to another great year of customer satisfaction.

I will be taking a short trip to Florida in January to visit my daughter and her family. In my absence, my dedicated staff will still take your quilt order with no more than a 3-week turn around.

Preparing for Long Arm: Remember to square off your backing fabric to at least 4 inches larger than the top of your quilt. If you have any questions, come in and talk to Bill. There is a \$20 charge to piece the back of a quilt.
